### HIGHLIGHTS

Boys & Girls Clubs of America provides Clubs the tools and resources they need to help recruit, impact, and retain teens through programs like Youth of the Year and Keystone Clubs. Since 1995, the Taco Bell Foundation has granted \$60 million dollars to approximately 300 Clubs across the country. In 2021, the Foundation granted nearly \$5.7 million to Boys & Girls Clubs.

## 

Through the Taco Bell Career Exploration Program, youth were able to hear from various speakers in a variety of career fields, attend tours (in-person and virtually) of career workforce spaces, participate in mock interviews, use College & Career Planning software to help determine workforce interests and compatibility, and create a personal portfolio.

-Don Moyer Boys & Girls Club, Champaign IL -

In 2021, the Taco Bell Foundation provided \$1.4M to 52 Junior Achievement areas across the country to support high school programs that help nearly 30,000 students make informed, intelligent decisions about their future and foster skills that will be highly useful in the business world.

## 

Taco Bell Foundation's investment in JA positively impacted thousands of high school students from low- to moderateincome communities. At a time when most students were learning from a screen, this grant allowed JA to transform muchneeded JA programs to virtual platforms and connect students to JA's three pillars of financial literacy, entrepreneurship, and career readiness. Taco Bell Foundation's partnership created economic empowerment and inspired students to dream brighter futures.

-Jack Kosakowski, President and CEO, Junior Achievement

### HIGHLIGHTS

City Year AmeriCorps members serve a year in systemically under-resourced schools across 29 U.S. cities. They help students engage with their learning, develop their potential, and master skills that prepare them for success in college and careers. In 2021, Taco Bell Foundation provided nearly \$800,000 to 23 City Year sites across the country to impact approximately 11,400 students and 230 City Year AmeriCorps members.

I can't say enough about **City Year and their** tremendous support of our school. They greatly supported our school during the pandemic, and we would like all the support they bring to our students to continue. A few highlights include virtual field trips, afterschool activities, serving as mentors for students, small-group instruction, and much-needed assistance with our daily Morning Assembly.

-Public School Principal in Detroit, MI, served by City Year AmeriCorps members in Detroit, through sponsorship from Taco Bell Foundation

### HIGHLIGHTS

College Advising Corps College Advising Corps aims to increase the number of low-income, first-generation, and underrepresented students who enter and go on to successfully earn a higher education degree. College Advising Corps works with partner institutions and places recent graduates as full-time college advisers in underserved high schools across the nation. Advisors support students in becoming college-ready, and deliver personalized, knowledgeable guidance on college admission, financial aid, and enrollment.

On top of being a low-income student and a first-generation high school graduate, CAC student Matthew was navigating the college application process during a global pandemic. Although Matthew was determined not to be deterred by lack of resources, he had become discouraged and given up on applying for scholarships. At the end of 2020, Matthew met with his CAC adviser, Ms. Jocelyn, who provided the emotional support, encouragement, and tools Matthew needed to realize his potential and submit his scholarship applications.

In April 2021, Matthew was granted a full ride to University of California, Riverside. There are many students like Matthew, students full of ambition and goals who carry the weight of generational change on their shoulders but need mentors, resources, and advisers along the way to encourage them to believe in the greatness they are capable of achieving.

# **EMERGENCY RELIEF GRANT PROGRAM**

In 2021, the Taco Bell Foundation launched the Emergency Relief Grant program, offering aid to current nonprofit partners that have experienced a natural disaster. Throughout 2021, multiple natural disasters devastated communities across the country. The Taco Bell Foundation allocated more than \$13,000+ to the Boys & Girls Clubs of Metro Louisiana and the Boys & Girls Clubs of El Dorado County Western Slope after their members experienced challenges from Hurricane Ida and the Caldor Fires.

# **IMPACT PARTNERSHIPS**

The Taco Bell Foundation serves as a strategic partner and catalyst for positive change in youth education landscape. In 2021, we funded projects that addressed important issues facing young people, especially during the pandemic, including mentoring relationships and the state of the youth labor market.

In 2021, the Taco Bell Foundation supported MENTOR: The National Mentoring Partnership in creating Becoming a Better Mentor: Strategies to Be There for Young People—a video mini-series, audio-book, and a thirteen-chapter publication to share resources from MENTOR's Elements of Effective Practice for Mentoring research. Specifically, the Taco Bell Foundation provided the funding to create the video series, which illustrates how different practices play out in a mentoring relationship.

mentoring.org/bettermentor

The Taco Bell Foundation partnered with Jobs for the Future (JFF) to guide Talent Developers to navigate the rapidly changing labor market so they can help young adults secure higher-paying jobs with opportunities for advancement. For nearly 40 years, JFF has led the way in designing innovative and scalable solutions that create access to economic advancement for all. The publication "How Young Adults Can Advance in a Turbulent Economy" identifies 15 high-potential jobs and occupations that are projected to grow, that offer median wages of at least \$20 per hour, and that are accessible to young adults with limited work experience.

### YESSHECAN CAMPAIGN

Compare School The YesSheCanCampaign was founded by Live Más Scholar Zaniya Lewis. The Taco Bell Foundation supported The Climb Is Our Story-a free college and career readiness program for nontraditional high school students nationwide. During the Fall 2021 58.6 cohort of the program, students were supported in 51. 66.8 applying to 20+ career opportunities, participating in virtual college tours and networking events, and becoming more confident in sharing their stories. ## MONEYTHINK

The Taco Bell Foundation funded the expansion of the ed-tech tool, DecidED, which was created by Moneythink. This free app helps students clearly understand the net costs for each college on their list so that they can make informed enrollment decisions and carefully consider payment plans. A Taco Bell Foundation grant makes it possible to distribute DecidED to more than 50,000 collegeaspiring high school students who are eligible for Pell Grants. The app is available to all students.

During Summer of Connection, a four-week virtual conference, Live Más Scholars engaged in live workshops and panels, participated in challenges, and learned and connected with peers and mentors. We listened to the scholars' wants and needs and focused each session on topics they asked for, including early career success, navigating change, financial literacy, self-advocacy, and influencing others. We paired scholars with career mentors to help them gain knowledge and sharpen their skills through sessions on professional networking, resume writing and interviewing, career vision boards, exploring grad school, succeeding in a new job, and career planning.

Being a mentor taught me that I still have tons left to learn. It taught me that I should not only look to people who are older for wisdom and guidance but also our youth. Our young adults are so talented, creative, and inspiring!

### WOULD YOU LIKE TO ROUND UP TO **HELP STUDENTS WITH THEIR EDUCATION?**

TACO BELL

### Support ambitious students changing the world

to the Taco Bell customers who rounded up their order total while visiting a Taco Bell restaurant last year. You make the Taco Bell Foundation's work possible!

## **OWNERS' GIVING CIRCLE**

Taco Bell Franchise Owners can join the Owners' Giving Circle by making a gift of \$350 per Taco Bell franchise restaurant that they own. Funds support the Taco Bell Foundation's mission to break down barriers to educate and inspire the next generation of leaders through scholarships, mentorship, community support and experiences. Members are like-minded Taco Bell franchise leaders who believe every young person deserves to pursue their passion and achieve their dreams.

In 2021, Owners' Giving Circle members contributed nearly \$2.3 MI to Live Más Scholarships for Taco Bell Team Members.

### **BELL X BELL OWNERS CONNECT**

MARCH 25, 2021

Taco Bell Franchise Owners joined us virtually to hear from current Taco Bell Team Members who are pursuing their educational passions with the support of our Live Más Scholarship program. Attendees pledged more than \$500,000 to provide Live Más Scholarships to Taco Bell Team Members to educate and inspire the next generation of leaders!

## **EVENTS**

### **FRANMAC CONVENTION** SEPTEMBER 27-29, 2021

FRANMAC Convention featured a silent and live auction, culinary delights, and special performances by our own Live Más Scholars! More importantly, it was an opportunity for Taco Bell Franchise Owners and vendors to share their passion for breaking down barriers to education and investing in the future of their workforce. Representatives from across the Taco Bell system gathered at The Broadmoor in Colorado Springs for this annual event and raised \$1.7 million to fund Live Más Scholarships for Taco Bell Team Members.

### TACO BELL CORP. **FUNDRAISING EVENTS**

Taco Bell Corp. employees proudly support the Taco Bell Foundation year-round through personal giving, volunteering, and by hosting fundraising events like an annual Art Show and a Garage/Sample Sale. In 2021, Taco Bell Corp. employees raised nearly \$15,000 through events such as these.

### HOMECOMING X ART SHOW

NOVEMBER 11, 2021

In partnership with Taco Bell Design and Taco Bell Foundation, Art Show offers a chance for Taco Bell Corp. employees to showcase their artistic talents by submitting art that will be auctioned off to raise money to fuel Live Más Scholarships for students nationwide who are pursuing their educational dreams. Guests enjoyed music, refreshments, and had an opportunity to learn more about the Taco Bell Foundation and Taco Bell's employee resource groups while they bid on art.

### DECEMBER 13, 2021

Taco Bell Corp. employees always find innovative ways to raise funds to support the Taco Bell Foundation. This year, Taco Bell's Digital Omnichannel Product Experience Team and Workplace Experience Team collaborated to host a Garage/Sample Sale to support the Taco Bell Foundation's Live Más Scholarship program. The event featured items for sale, including Taco Bell clothing and swag, furniture, TVs, and office decor.

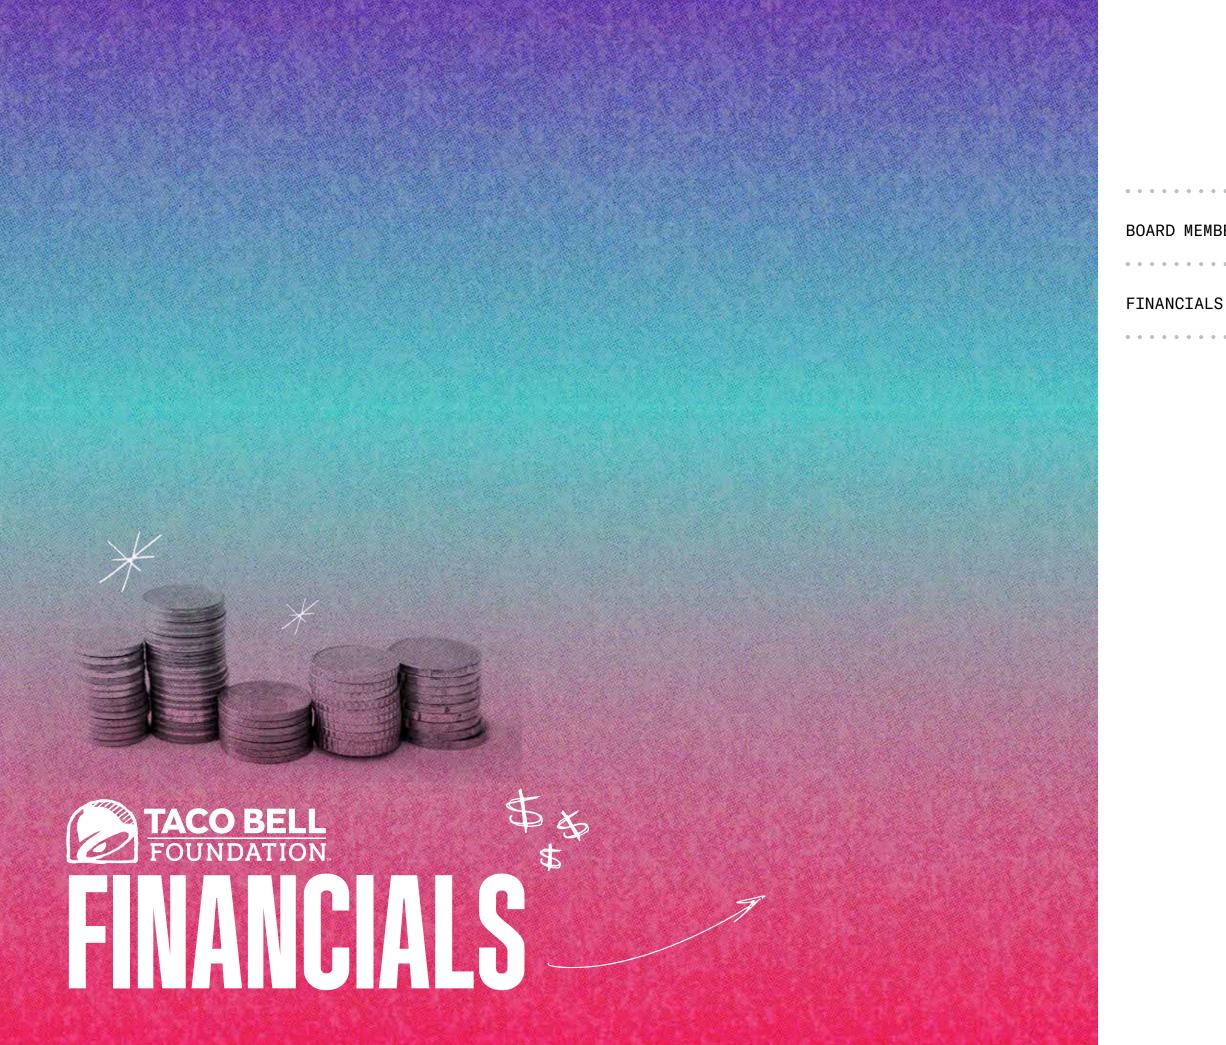

Ж

In 2021, our event supporters contributed nearly \$2.3 million to support more scholarships for Taco Bell Team Members who will join the Live Más Scholarship community and gain access to educational funding, professional connections, and a nationwide network.
